Lengthsman Scheme update and financials

Funding has been approved for 2018. Work for next year will be scheduled throughout the year, unlike this year when we were catching up on large tasks.

All worksheets have now been given to Jason and he is working through. Quite a lot of further work has been identified at Ampport, P Grafton and P Mewsey (mostly at Penton Corner). Invoices have been submitted for approx. half the funding. VAT is included which we have to recover every 3 months (next is due end of March).
